

LASER AMMO  
TRAINING TECHNOLOGIES

## The Ultimate in Tactical, Reactive, and Judgmental Training

Laser Ammo offers the world's most comprehensive firearms and decision-making systems available. Pairing our recoiling firearms, targets, and simulator to our gunSHOT box system, you can experience the stress, adrenaline, and emotions encountered by law enforcement on the streets. Designed to be easily portable and cost-effective, our system stands out as the most versatile in the market. It's fully adaptable to suit your training requirements and comes with top-notch customer service and technical support. Laser Ammo is committed to surpassing your expectations, meeting your demands, and delivering exceptional performance for years to come.
