# SMOKELESS RANGE

## FIREARMS TRAINING EVOLVED

# SMOKELESS RANGE® QUICK START GUIDE

1. Locate your License key and password for each software title purchased. (Please note: The password is case sensitive)

2. Download and install your software from www.smokelessdownload.com

3. Install the Smokeless Range® software and watch the getting started video that auto-plays once the installation is complete. Video can be found at www.smokeledownload.com

4. Download and install any add-on software you may have purchased.

5. Make sure batteries are installed in your training laser. Remember that IR lasers are invisible to the eye.

6. For more information check out our FAQ knowledge base at www.smokelessdownload.com

7. If you need help or have questions email us at support@laserammo.com or call us at (516) 858-1262, (M-F 9am - 5pm CST).
